More about Just Cuts

Just Cuts is an Australian hairdressing franchise that bridges the gap between a barber and a high end hair salon. With salons in every state of Australia and on both the North and South islands New Zealand, it is the largest hairdressing company in the Southern Hemisphere. Based on a fixed price, no appointment system, Just Cuts offers clients affordable haircuts from fully qualified hairdressers and performs over 100,000 Style Cut cuts per week across Australia and New Zealand.

Just Cuts was the brainchild of Denis McFadden, who turned a simple idea into a business concept that would change the hairdressing industry forever. McFadden ran his first ever “no appointment, \$6 Style Cut” promotion at his humble Sydney salon, receiving an outstanding response from clients. It was on this basic fixed price initiative that the idea of Just Cuts was born. The following year, the inaugural Just Cuts salon opened its door to the public. And in 1990, the first Just Cuts franchise opened in the suburb of Engadine, in the south of Sydney, New South Wales. Our brand has continued to expand ever since, with over 200 locations across Australia and New Zealand.

In 2013, Just Cuts launched JUSTICE Professional – a range of salon quality haircare and styling products available exclusively in all our salons at a competitive, affordable price. The JUSTICE Professional line has something for everyone, including everyday shampoos and conditioners, anti-dandruff and dry scalp treatments, toning products, nourishing leave-in treatments and a range of hair styling waxes and sprays.
