

Make your own Just Cuts™ car!

Instructions

1. Decorate the Just Cuts™ car and sign.
2. Cut around the outline of the car and the joined Just Cuts™ sign.
3. Cut slits on the solid black lines on the car's roof.
4. Fold along the dotted lines.
5. Poke the sign through the two slits on the roof.
6. Glue the tabs under the car and assemble.
